## IRIS Terms & Conditions

### IRIS DESKTOP INSTRUCTIONS

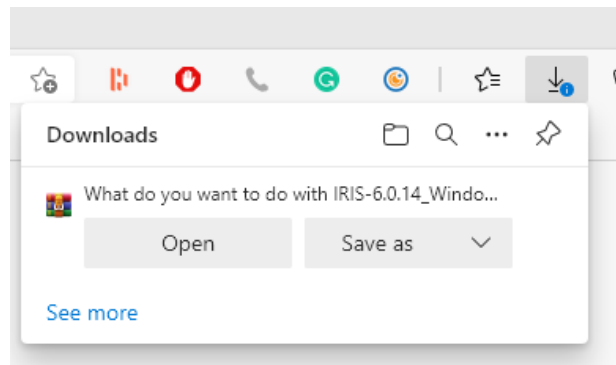

Go to <https://www.irisinvigilation.com/download/> and download the Windows installer – This will start the download of IRIS Desktop, as shown below: <https://www.irisinvigilation.com/download/>

#### DOWNLOAD

Iris Desktop Download - Windows (181 MB)

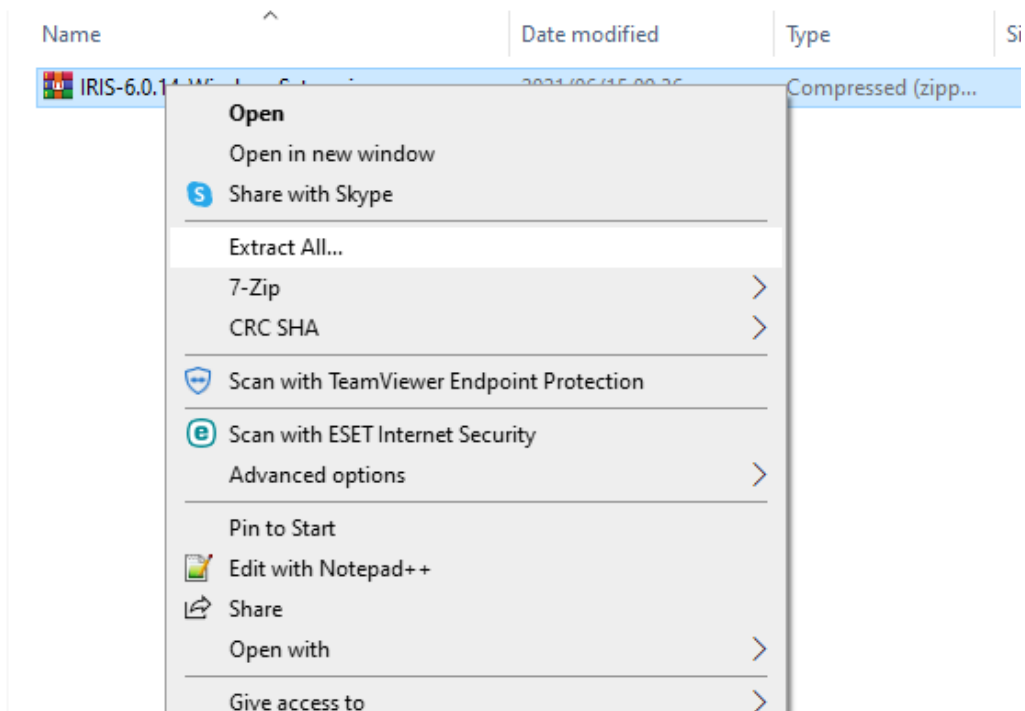

Iris Desktop Download - Mac

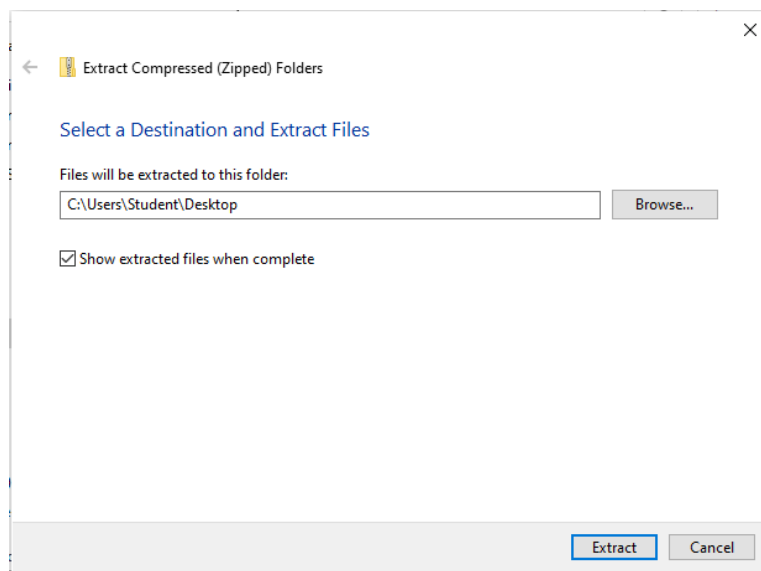

Once downloaded, navigate to where you saved the file right click on it and select “Extract All...”

## IRIS Terms & Conditions

Now choose a location to extract the IRIS Desktop application, to easily find it.

Navigate to your Desktop and save it there.

You will now have a file similar to the one shown below. Double click this file to start installing IRIS Desktop

# IRIS Invigilation

## IRIS Terms & Conditions

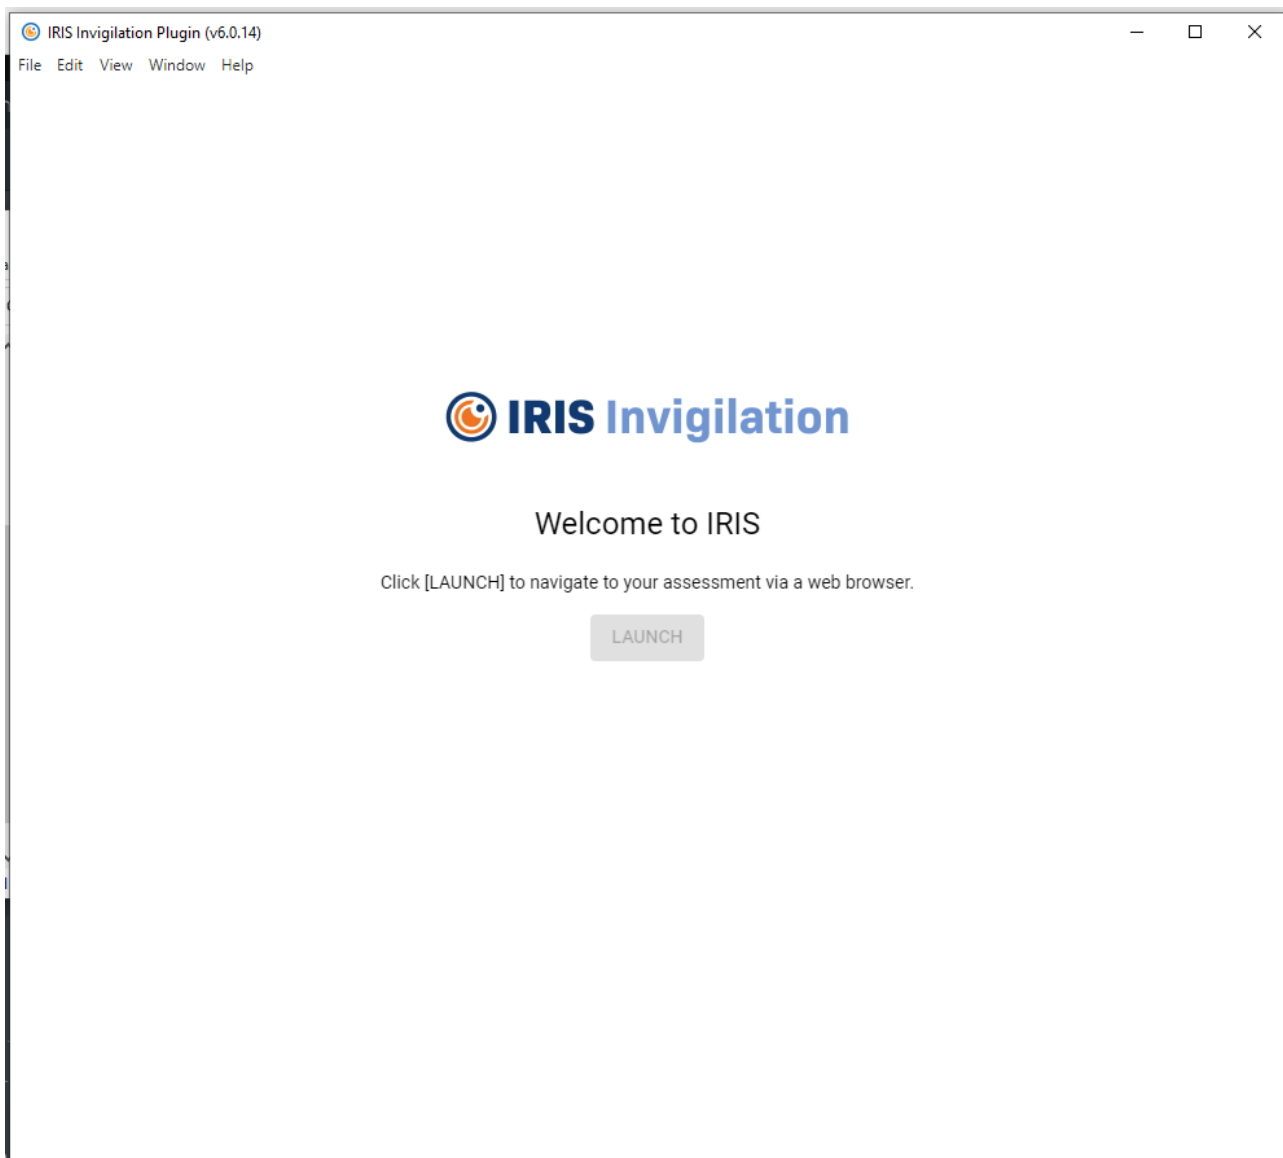

Name	Date modified	Type	Size
 IRIS-6.0.14 Setup.exe	2021/06/10 15:12	Application	181 667 KB

This usually takes a minute or two to start the application, so please be patient.

You should see the IRIS splash screen, as shown below.

Once IRIS Desktop has been installed you will be presented with the following screen. Click on "LAUNCH"

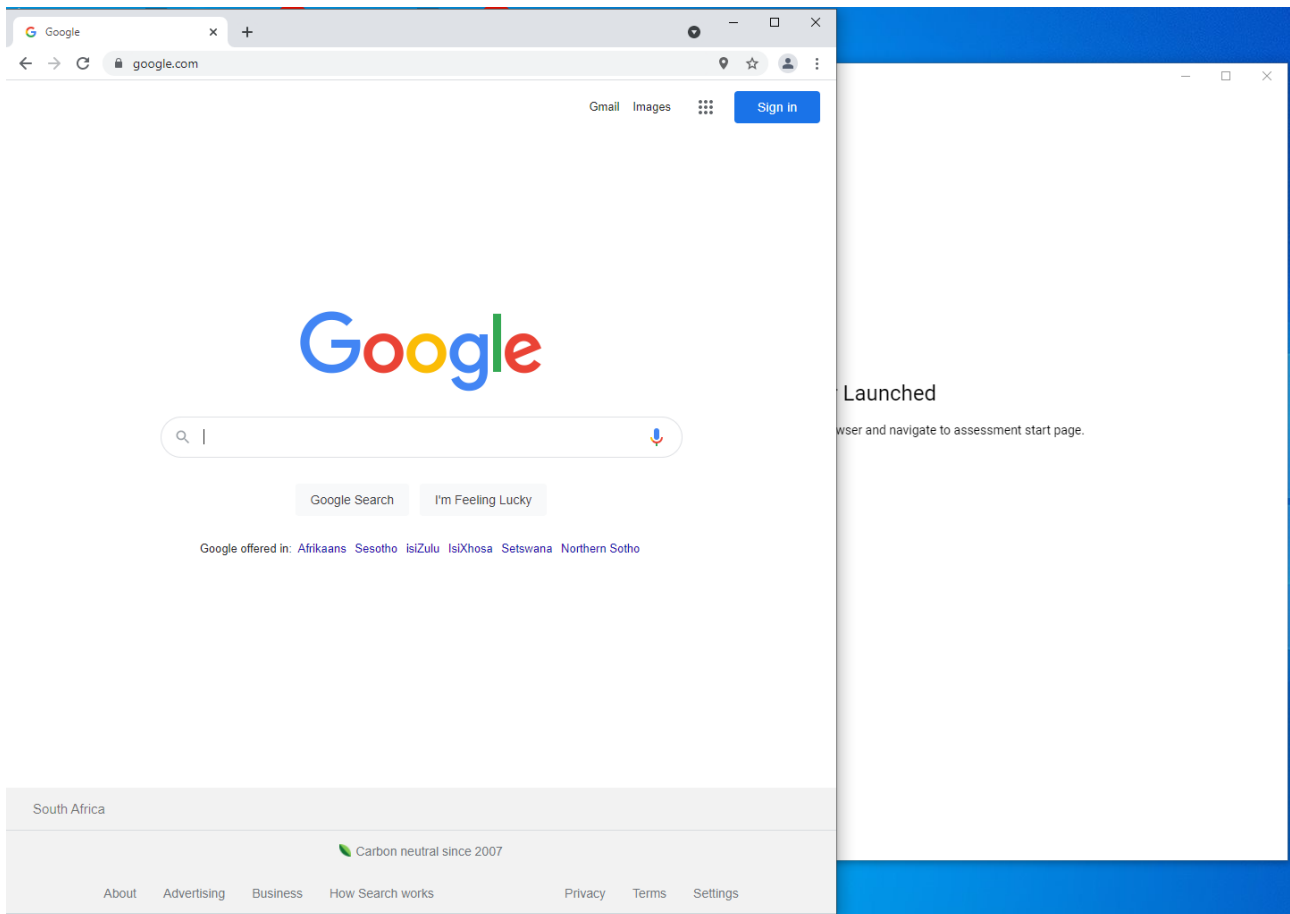

# IRIS Invigilation

## IRIS Terms & Conditions

This opens up a new “Google Chrome” window, Like below.

## IRIS Terms & Conditions

Use this "Google Chrome" window to Navigate to your LMS and complete your Proctored Exams.

Go through the IRIS form until proctoring starts. IRIS should autofill the quiz password for you.

## Congratulations

IRIS Desktop has now successfully been installed and is ready to use. Next time you use IRIS, just search for it using your windows start search.
